Dear Customer

TOKYO KEIKI INC.
Quality Assurance Dept.
Control Division.1
333-4 Azuma-cho, Yaita-shi,
Tochigi Pref., Japan

Subject: Notice of AVCS Cell Permit for our ECDIS EC-7000 series

Thank you very much for choosing our products and kind assistance on the matter.

The encryption process for ENC is an International standard stipulated by IHO S-63.
This standard was first issued in 2003 and then revised in 2008.S-63 Ed. 1.0 : 2003/10 First Edition
Ed. 1.1 : 2008/3 Second EditionThe Cell Permit content of Ed. 1.0 and Ed. 1.1 are slightly different.
Which standard the Cell Permit conforms to is described in the 2nd line of the Cell Permit file and is judged by the version number as shown below.

```
:DATE 20110804 05:03
:VERSION 2
:ENC

↓ Cell Permit List below
```

VERSION 1 : Conforms to Ed. 1.0

VERSION 2 : Conforms to Ed. 1.1

The EC-7000 series has taken type approval under the performance requirements prior to the current performance requirements and conforms with S-63 Ed. 1.0.

Therefore the VERSION 2 Cell Permit cannot be installed.

VERSION 1 installation is possible. Therefore, when ordering the Electronic Charts, please arrange for the issue of the VERSION 1 Cell Permit.

Yours Sincerely;

Yutaka Yoshida
